The Pekingese Club of America
Breeder Referral Service

The Pekingese Club of America (PCA) Breeder Referral is a free service to direct prospective buyers to Pekingese breeders throughout the United States, Canada and other countries around the world. All those listed are members of The Pekingese Club of America. There is helpful information elsewhere on this website including a glossary of reading material (see "Publications" on the main page) as well as links to other sites intended to provide information to buyers that will assist them in making an informed decision when purchasing a Pekingese. Be advised that many states and counties have laws governing the sale of dogs that both breeders and buyers should be aware of and comply with.

Pet quality Pekingese vs. a show prospect

Many times the difference between a show dog or pet quality Pekingese is so very slight. It is up to the breeder to decide if a puppy has the quality to become a champion. The puppy is measured by the AKC breed standard and often only a slight deviation from the standard prevents a dog from being shown in the conformation ring. Such puppies or dogs not only make wonderful companions for many years, but they are generally more beautiful and better behaved than the average Pekingese. The reason being, they come from dedicated, responsible breeding programs where breeders select for the best traits and raise their puppies with special care, attention and socialization.

The Pekingese Club of America strongly encourages all breeders to employ ethical breeding and business practices. However, PCA does not endorse, guarantee, recommend or approve any particular breeder. PCA disclaims any liability or obligation for the health or any other aspects of Pekingese purchased through breeders identified by use of this site. It is recommended that you always consult a qualified veterinarian in matters concerning the health of your Pekingese. And do consider adopting an adult Pekingese from a breeder, or through The Pekingese Club of America Rescue and Rehoming Committee listed below.

If you are looking to buy or adopt a Pekingese, contact the National Breeder Referral Chair or Committee, or the PCA Rescue and Rehoming Committee, or any PCA Breeder listed below

Edie Jones, Chairwoman, National Breeder Referral
